Vintage & Custom Car Show & Super Corral

Here is the plan for this weekend's Healey adventure. We will rendezvous at the Publix/Starbucks parking lot at the southwest corner of Blanding Blvd and Kingsley Ave around 12:30 Friday afternoon so that we can push out at 1:00. The route will be as follows:

Blanding Blvd/SR 21 south to CR 315,
Turn left of CR 315 & continue south to SR 40, turn right to west on SR 40,
Turn left in Silver Springs onto SR 35 headed south,
Stay on SR 35 & SR 301 till about 5 miles south of Belleview,
Turn left headed east on CR 466 for 2-3 miles where the Hampton Inn is located.

The return trip will commence from the Car Show parking lot after the trophies are handed out (about 3 PM) and will be via SR 301 to Stark, north on SR 16 & CR 215 to Middleburg, then home on SR 21 to Orange Park.

Both of these routes are subject to change based on better ideas or pubs we need to investigate. The weather in Ocala is predicted to be in the low 60's Friday afternoon with a 30% chance of rain late evening till mid day Saturday. Saturday morning should be in the low 40's with high around 60 degrees. Dress appropriately and come ready to have a great time. See you there,

Lites
